Mr. H. Graham Harrison  
Assistant Attorney General  
Department of Justice  
Washington 25, D. C.

Dear Graham:

STATOTHR

As you requested, I am returning the letter  
[redacted] wrote you about going into private business.

For your information, our personnel people tell  
me that they sent a letter to [redacted] on December 8  
telling him that they were processing his case as a  
GS-7 (\$3885 per annum), and outlining the length of  
time processing would take. This was sent to the  
address he gave, which is different from that given  
on the attached letter.

STATOTHR

Apparently we have had no word from him since,  
answering this offer. I don't know when he wrote  
his letter to you, but presumably he should have  
had our letter about the third or fourth.

Please let me know if you hear anything more.

Sincerely,

LAWRENCE R. HOUSTON  
General Counsel
